# Introduction

Got Lust??? Lust is an extreme or overwhelming desire. We all have lust. The question is what are we lusting after? It is natural for us to have desires. We require intimacy. We have pursuits and goals. If we are responsible, driven, motivated or have any aspirations, we will invariably have something that we pursue passionately. The real questions are: What is it that we are pursuing? How are we pursuing it? And when are we pursuing it? Are we pursuing what is designed for us by God? Or Are we pursuing what doesn't belong to us? Do we value most what God values or what the world values? Are we pursuing God's Will for our lives, or are we pursuing our own will? Those are the key questions!

We are engaged in a daily battle to live a life that is pleasing to God. Our enemies are: the world, the flesh and the devil. The Bible teaches us to flee the lust or temptations of the world, to deny the flesh, and to resist the devil.

In this series, "Got Lust. . .Let's Deal With It" we will examine further the Lust of the World, and how it impacts our pursuit of an abundant life in Christ. The three components of the world system that Satan tempts us with are: lust of the flesh, lust of the eyes, and the pride of life. The "world" represents the system of values, priorities, and beliefs that exclude God. It is a seductive system that can be appealing and enticing to all people, INCLUDING devout believers.

Let's keep it real...we are not pretending that what the world offers is never appealing. At first glance, it typically sounds great. It's designed that way. The world system wants us to be dissatisfied with God's Will for our lives, and sets out to make us believe that we are missing out on something. The world system would have you believe that what God has given you and plans to give you isn't enough. This often leaves us looking for more, and therefore, striving to attain things that just aren't intended for us.

At times, we lust after things so fervently, that we end up worshiping them. It's ok to have money, a date or a piece of chocolate, but we place too much importance and focus on those things. The world says things like: "Obey your thirst", "Satisfy your hunger" and "You can have whatever you like" and we fall for it. In this series we will embark upon a journey to discover the root of our struggles. Once we can get in touch with and identify the real problem, or address 'what's really going on' at it's deepest level, then we can identify the appropriate solution. With the right medicine, we can finally receive breakthrough healing!

We must make a decision that God's values, priorities and beliefs rank higher and are more important than those of the world. In order for us to be more successful with our daily struggles we need the power, the direction, the guidance, the strength, comfort, and wisdom of the Lord. Without a daily, constant plugging in to God, we wouldn't stand a chance. Praise God that those that have accepted Christ, don't have far to go to tap in to all that we need. Because, greater is HE that is already in us, than anything and everything that we face in the world. Through the power of the Holy Spirit, we no longer have to be bound by the Lust of the world. We are positioned for victory! Together, let's learn how to walk in that victory.

# Session Three: Our Misplaced Thirst

Look at the things in your life. What do you spend most of your time pursuing. That will be an indication of what you value most. This is how you can figure out what your priorities in life are. Do your priorities or ranking system line up with God's priorities or do they line up with the worlds. Are your thirst misplaced?
